

Car Park Information (24th June 2008)

Transport Direct is developing a Car Parking Database which will ultimately cover the whole of Great Britain. We now have details for over 11,000 car parks across Britain. This includes:

Local Authority
Virtually all local authority-owned car parks

In addition we now have information for car parks provided by the following other operators:

Private Operators	Rail Operators	National Park Authorities & Rural
National Car Parks Ltd Q-Park Central Parking Systems Pure Parking Airport Parking and Hotels Ltd Airparks Services Ltd 51st State	Arriva Trains Wales East Midlands Trains Chiltern Railways Eurostar First Great Western National Express East Coast Island Line Merseyrail London Midland Northern Rail National Express East Anglia South West Trains Southern First Transpennine Express Virgin Trains	Brecon Beacons Dartmoor Exmoor Lake District Loch Lomond and The Trossachs North York Moors Northumberland Peak District Snowdonia South Downs Yorkshire Dales Forestry Commission
