

## EXPECTED LONDON PUBLIC TRANSPORT SERVICE CHANGES FOR NEW YEAR'S EVE (FRIDAY 31 DECEMBER 2010)

This information sheet gives details of expected changes to public transport services in London on **New Year's Eve (Friday 31 December 2010)**. Many of these changes are not reflected in the data used in Transport Direct journey plans until mid December. Please note this information is provisional and you are advised to recheck nearer the time for actual timetable changes.

### LONDON UNDERGROUND (TUBE)

Revised frequencies apply with first trains at around 0530 and an all-night service in operation on the network.

Charing Cross, Covent Garden, Embankment, Leicester Square and Westminster will have restricted entry and/or exit, and may be subject to closure between 2130 and 0200, due to crowds attending the New Years Eve celebrations. The following changes also apply:

**District Line**: No service to/from Kensington Olympia, between 2350 New Years Eve and 0700 New Years Day

**Hammersmith & City Line**: No service on the entire line, between 1000 and 1530, and between 1830 and 0030. Please use the Circle and District lines, which will continue to serve all stations, at these times.

**Metropolitan Line**: No service between Baker Street and Aldgate, after 1000. Please use the Circle and Hammersmith & City Lines instead

**Piccadilly Line**: No service between Rayners Lane and Uxbridge. Please use the Metropolitan Line instead.

**Waterloo & City Line**: No overnight service. First and last trains at weekday times.

### LONDON BUSES

Modified Saturday service.

## **DOCKLANDS LIGHT RAILWAY**

Special service in operation with trains running overnight into New Years Day.

## **CROYDON TRAMLINK**

A Saturday service will operate throughout the network. First through trams are at around 0530. Earlier trams may operate to/from Therapia Lane only. An all night service will operate in the early hours of New Years Day (Saturday 1 January), except between Arena and Elmers End. Trams will operate between Wimbledon and New Addington, and between Wimbledon and Beckenham Junction, every 30 minutes. A Saturday service will then operate throughout the network between 0430 and 0030.
